ENTRY INFORMATION

If sending entries overnight, make sure to sign the waiver that allows delivery without a signature. Requiring a signature will only delay receipt of your entries.

A dog must be entered in the name of the person who actually owned it at the time entries for the herding test or trial closed. If a registered dog has been acquired by a new owner, it must be entered in the name of its new owner in any herding test or trial for which entries closed after the date of acquisition, regardless of whether the new owner has received the registration certificate indicating that the dog is recorded in his or her name. State on entry form whether transfer application has been mailed to AKC (for complete rule refer to Chapter 14, section 3 of "Rules Applying to Registration and Dog Shows").

RETURNED CHECKS do not constitute a valid entry.

ERRORS ON ENTRY FORMS: Owners are responsible for errors in making out entry forms (whoever may make such errors) and no entry fee will be refunded in event of such errors or cancellation of entries after the published closing date.

DECLINED ENTRIES: The PWCCA may decline any entries and may remove any dog on account of disease, viciousness, or other cause and no one shall have any claim against the aforementioned mentioned club or any official thereof.

ENTRY FEES SHALL NOT BE REFUNDED in the event a dog is absent, not allowed to compete in the entered class, disqualified, excused, by a Veterinarian or Judge, or barred from competition by action of Show Committee. If because of riots, civil disturbances, or other acts beyond the control of the management it is impossible to open or complete the Test/Trial, no refund of entries will be made.

ALTERNATE LIST POLICIES: When entry limits are reached, all additional entries received prior to closing will be added to an alternates list. The alternates list will be used to fill vacancies that occur in the drawn running order, with the first available alternate entry replacing the first vacancy in the class entered. Within the Trial Classes, requests to move-up shall be given priority over alternate entries.

No dog may be entered in two classes on the same course with the same kind of stock under the same judge at any Test or Trial.
